Activate event in EMResource	Play	Issue Infrastructure Query	Play	9:00am HPP After Action Review
Initiate statewide HavBED		Issue Immediate Bed Availability Query		

PHEP and HPP Joint Play

- Activate incident command staff in the ERC and ESF 8 Staff at the SEOC.
- Utilize WEBEOC to assist in the management of ESF activities as well as situational awareness.
- Develop IAPs, Situation/Activity Reports and Finance/Administration Logs

PHEP and HPP Joint Play Continued

- Media messaging and management
- Communicate medical and behavioral health risks to public health and volunteer responders working the disaster.
- Responder Health and Safety
- Volunteer Management
- ESF 8 will demonstrate the ability to set up a hotline where the public can call for information.
- Outbreak Investigation

PHEP and HPP Joint Play Continued

- Receipt, Staging and Storage Site activated for Medical Materials
- Public Health and Medical Support along evacuation routes and EAS, ERS, CAS.
- LPHA Mutual Aid

PHEP and HPP Joint Play Continued

- Completion of CMS Waivers
- Completion of AARs
- Locate and assist Home and Community Based Service participants in evacuation, transportation, and sheltering to ensure continued in-home services

LPHA Play In the Exercise

- Complete MOSWIN Radio Role Call
- When requested, complete the LPHA Mutual Aid Resource Request Form
- We understand that LPHAs may be actively engaged with play in the “Mass Care Evacuation Exercise”

LPHA Play In the Exercise

- If interested, we can provide injects for LPHAs who are interested in further play during the exercise.
 - Will send out invitation to all LPHAs

Questions?

Table Top Exercise

Exercise Guidelines

- This exercise will be held in an open, low-stress, no-fault environment. Varying viewpoints, even disagreements, are expected.
- Respond to the scenario using your knowledge of current plans and capabilities (i.e., you may use only existing assets) and insights derived from your training.
- Decisions are not precedent setting and may not reflect your organization's final position on a given issue. This exercise is an opportunity to discuss and present multiple options and possible solutions.
- Issue identification is not as valuable as suggestions and recommended actions that could improve planning and response efforts. Problem-solving efforts should be the focus.

Exercises Procedures

- Read the Module and Answer Questions on the local and regional level.
- Please select a spokesperson/spokesmodel for report out.
- Due to time constraints, not all groups will report out.
- At the end of the exercise, please

MODULE 1: SITUATIONAL AWARENESS AND TACTICAL COMMUNICATION

- **Questions**
- Do you know how the earthquake will impact your jurisdiction?
- How will you maintain your jurisdiction's situational awareness?
- How will you report your jurisdiction's status to MO DHSS and ESF 8 at the SEOC?
- How many staff in your agency know how to use WEBEOC?
- Do you know what the state expects of your region/jurisdiction?
- What assets are in place to communicate with MO DHSS and ESF 8 at the SEOC if landlines/cell phones and wireless are not functioning? How many staff know how to use these assets?
- What is your agency's role with your local EOC is activated?
- How will you notify your staff if there are limited cell phone and landline service?

MODULE 2: MUTUAL AID

QUESTIONS

- Counties in Regions D and A determine how many RNs and LPNs, Epidemiologists, Animal Control staff they have available to inspect approximately 200 shelters per region (500 evacuees per shelter) along with inspecting mass care feeding sites, providing RNs/LPNs for shelters and preparing in the event there is an outbreak in the shelter.
- Counties in Region D and A will conduct a gap analysis between the staff they have available and the staff they need to conduct inspections of shelters and mass care feeding operations, provide medical staff for shelters, animal control staff for pet shelters, Epidemiologists for outbreaks, etc. After the gap analysis is complete, complete a Mutual Aid Resource Request Form to request staff.
- Region B and Howard, Boone, Audrain, Montgomery, Callaway, Cole, and Osage, in Region D will determine the number of staff they have to conduct food establishment inspections (every food establishment in the county must be inspected due to extended power outages) and complete a Mutual Aid Resource Request Form for the mutual aid staff needed. These counties will also complete "Responding Agency" part of the form indicating the number of staff they have available to deploy to Regions A and D.
- LPHAs in Regions H, C, G, and I (lesser impacted counties) will determine the number of staff they have available to deploy to the regions that need assistance and complete the "Responding Agency" part of the Mutual Aid Resource Request Form.
- All LPHA Mutual Aid requests forms will be turned into the LPHA Mutual Aid Table.

MODULE 3: SURVEILLANCE

Questions

- Who will initiate the investigation, the LPHA or the state?
- With epidemiologist from LPHAs deployed to other regions in the state, how will this affect local investigations?
- What processes will be put in place to communicate with the different shelters?
- For counties where self evacuees are staying with family, how will LPHAs conduct the investigation?
- Who will communicate the investigation to local medical providers?
- What information and assistance will be provided to the Red Cross to help mitigate the illnesses?
- What other problems can arise as a result of this outbreak?

MODULE 4: VOLUNTEER MANAGEMENT

Questions

- What system do you have in place to notify your volunteers that they are needed?
- What is your plan and processes to ensure that the volunteers are qualified to work in the position you need them in? Processes for credentialing volunteers?
- What type of just in time training will you provide the volunteers?
- Do you have job action sheets for each position the volunteers will be working in?
- What plans do you have in place to meet the needs (food and shelter if necessary) of public health volunteers?
- What is the plan for managing spontaneous volunteers?
- What are your processes for meeting the mental and behavioral health needs of your volunteers?
- What processes are in place for providing volunteers with the appropriate PPE for the position they are serving in?

MODULE 5: INFORMATION SHARING

Questions

- What is your agency's media/public affairs plan?
- Do you look to the state for Media messages or develop your own?
- Who is approved to speak on behalf of your agency? Who approves the media messages?
- Does your plan include providing regular media briefings or conferences?
- Do you share a media market with other LPHAs? If yes, who speaks on behalf of the LPHAs in the same market? Do you conduct a joint media conference?
- In a joint market, do you provide the same media messages? Or different? How do all the LPHAs approve the media messages?
- Is there someone on your staff assigned to follow social media?

Exercise Wrap Up

- Please leave Report Out Sheets on the Table
- Hotwash
 - What Went Well
 - What could have gone better?
